

# VS The Valley School

## Alumni 100 Campaign

**Throughout its history, The Valley School has always stood for the following:**

- a way of learning
- the enhancement of each student's abilities
- intellectual excitement
- encouragement of individuality
- inclusion in all aspects of education and extracurricular activities
- provision for significant community service by each student

*Forty years* of educational excellence. The Valley School celebrated that impressive milestone with its 2009-2010 school year. As a graduate, you are one of more than 400 well-prepared students Valley has sent to select colleges and universities around the country. Many enjoyed the benefits of significant merit-based scholarships. All received the benefit of the most unique educational experience available in the Flint community.

This year as never before, Valley is turning to its alumni for support on two important topics: funding and marketing.

- ❖ **Funding:** As you know, The Valley School is completely self-funded. It relies on the generosity of its supporters to continue providing a quality educational opportunity. As Flint's economy worsens, a private school education is not an option for the families of many exceptional students. Your support can increase the amount of scholarship funds Valley is able to make available to members of our community.
- ❖ **Marketing:** As a graduate, your accomplishments are the legacy of a Valley education. We want to know about you—the college or university from which you graduated, your professional accomplishments, etc. This data helps Valley market itself to prospective families and compete for other private sources of funding.

**To those ends, Valley is requesting your participation in the Valley Alumni 100 Campaign.** We realize the economy has generated an increase in the amount of charitable donation requests you are receiving. Amidst these requests, we hope Valley holds a special and personal place in your heart. Because of your generosity, students today will benefit from the same Valley education that you received.

- ❖ Our fund raising goal is \$100 per graduate. If you are able to be more generous, please consider doing so. If \$100 is not possible, consider an amount appropriate for you; no donation is too small and all are equally appreciated. We are striving for 100% participation from our alumni.

Your donation is tax deductible and a receipt will be provided. Regardless of your donation, please fill out and return the personal information survey. Keep abreast of Valley happenings, by visiting our website at [valleyschool.org](http://valleyschool.org).

Thank you for being an ambassador of the exceptional and unique education The Valley School has been proud to offer for forty years. Help make that experience available to other others!

*Every Valley Student is...  
...a scholar, an artist, an athlete,  
an independent thinker, a volunteer,  
an ambassador,  
...one of a kind.*

### The Valley Class of 2011

The Class of 2011 was accepted at a wide range of colleges and universities. The six graduates attend the following: The University of Chicago, Baylor University, Kalamazoo College, Alma College, The University of Michigan-Flint and Eastern Michigan University. Valley was honored to have both a National Merit Scholar and a National Achievement Scholar among its graduates. Our graduates received combined merit-based scholarships in excess of \$760,000.

### 2011 News

#### Exciting News for the 2011 School Year Includes:

- A fresh, new location on Linden Road in Swartz Creek
- An enrollment increase of 10% over the 2010 - 2011 school year
- Three foreign exchange students joining us from France, Germany and Brazil
